Yea, I saw that but thought we are just referring generally to IIIG to say whatever the specifics are in there will governs. If there is no monitoring then, that's the specifics?

There is one out layer under III.G that does not really contain an ECRCO monitoring obligation. It is stated as follows:

## Ex. 5 Deliberative Process (DP)

Other than the above noted issue, I am good with the other clarifications and deletion for the monitoring obligations.

## Ex. 5 Deliberative Process (DP)

**Importance:** High

Hi guys, please take a look and let me know what you think. Adam, could you please give Desean a call and give him a heads up re what's happening with this per David's comments? That way I can include him in the email when I forward the revised version to Elise, Joe and David and he will know what's up. Thanks! Please let me know all, what you think about these revisions ASAP. I can work on this when I get back to my office at 4:15. Thanks!
